June 5, 2014 **Rockfall Mitigation & Reconstruction** ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the "**Narrows**"

Work is continuing through the Narrows. Rockfall work has moved upriver to Sections 1-4 of the project. Knife River has began work on the Rockery Wall and the work will continue through next week. Current items of work are the Rock Bolts and Dowels, Attenuator Systems, and Contoured Mesh, and the Rockery Wall.

Closures are no longer in effect. No closures will occur until after September 15th of this fall.

Expect minor delays of up to 15 minutes throughout the day and night. The project is limited to one-lane of traffic with signal lights in the early morning hours and weekends. Night time operations have ceased for a limited time but will resume once work on the MSE Wall excavations and Keyed Rip Rap begins.

There will be no work from 6:00 p.m. Friday, through 6:00 a.m. Monday over the regular weekends.

Installation of stones for the Rockery Wall being completed by Westfall Inc. and Knife River.
