Weekly Newsletter

September 18, 2014 **Rockfall Mitigation & Reconstruction** ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the "**Narrows**"

Construction work is continuing throughout the Narrows project. Rockfall work, bolts and dowels in Section 6 continues with additional ongoing work in Sections 7-10 on the contoured wire mesh, attenuator systems, bolts and dowels.

Installation of MSE wall 200 will be finishing this week. Focus now shifts to the completion of MSE wall 300. Subgrade work and installation of permanent guardrail will begin this week. There will be on going work this Saturday as well.

Closures are in effect. Road closures will be from 10:00 a.m. to 12:00 p.m. and 1:30 p.m. to 3:30 p.m. Monday through Friday only.

Expect minor delays of up to 15 minutes throughout the day and night outside of the closure times. The project is limited to one-lane of traffic with signal lights in the non working hours and over the weekends.

There will be work on Saturday, September 20th, and Saturday, September 27th from daylight to 6:00 p.m. No closures will be in effect on Saturday.

Installation of the top lift of MSE wall 200 earlier this week. Work on the MSE walls is being conducted by Slaton Brothers, Inc. based out of Denver, Colorado.
