Middle Fork Snoqualmie River Road

Construction Newsletter

November 17, 2016

Construction Activities

The Middle Fork Snoqualmie River Road is open to public traffic every day. All construction is complete for the season except guardrail installation near Champion Beach. The rail is currently being fabricated. Retaining wall guardrail installation is tentatively scheduled for late November or early December. The remaining guardrail may be completed in January depending on weather.

No work is scheduled for next week.

Some of the roadway is rock surfaced and may be rough in places.

Above: Completed roadway near Mine Creek.
