

## Questions and Answers

Date: February 16, 2017

RFQ No. DTFH7017Q00018

Project: Geotechnical Subsurface Investigation for WY PRA YELL 10(24)Norris to Golden Gate, Phase 3

1. Question: Will flaggers be required before the park opens to the public on April 21<sup>st</sup> or would just signage & cones be sufficient since the park personnel would know about crews working in the roadway?

Answer: Flaggers will be required. Refer to Section 6C.11 of the Manual on Uniform Traffic Control Devices: Flagger Method of One-Lane, Two-Way Traffic Control.
