**Request for Project Applications
Wyoming Federal Lands Access Program**

The Federal Lands Access Program (FLAP) presents an exciting opportunity for state, county, tribal, and local entities to get projects placed into this program for a variety of transportation projects accessing Federal Lands in the state of Wyoming. The Programming Decisions Committee (PDC) of the Wyoming FLAP is currently soliciting Project Applications to develop a multi-year program of transportation projects (estimated program funding availability of up to \$35 million dollars). Preliminary engineering, construction, and construction engineering funding will become available after the program selection process has been completed.
