

FEDERAL LANDS ACCESS PROGRAM

Colorado

The Federal Lands Access Program is a competitive, discretionary program for states, counties, tribes and local governments.

The program provides funds for transportation facilities that provide access to, or are located on or adjacent to Federal lands, with emphasis placed on facilities that improve access to *high use recreation sites* or *Federal economic generators*. The Federal lands access transportation facility must be owned or maintained by the state, tribe or local government.

Eligible projects include engineering, rehabilitation, restoration, construction, reconstruction, transportation planning, and research of Federal lands access transportation facilities.

CO FLAP projects that have been selected and programmed for funding thus far include but are not limited to:

- Roadway reconstruction
- Pavement rehabilitation
- Bridge repair and reconstruction
- Transit facilities
