

## I. Purpose of the Program Delivery Guide

The fundamental purpose of this document is to provide procedural guidelines to eligible Tribes<sup>1</sup> entering into, or already having, a Tribal Transportation Program Agreement (TTPA) with FHWA.

The *FLH Office of Tribal Transportation Delivery Guide - 2019* expands on the terms, roles and responsibilities, and provisions for the Tribes and FHWA as outlined in the Tribal Transportation Program Agreement (TTPA). It assists Tribal governments in the administration of the Tribal Transportation Program, and sets out the required process and procedures used by FHWA to carry out its oversight and stewardship responsibilities.

In addition, the *FLH Office of Tribal Transportation Delivery Guide - 2019* may serve as a technical resource for Tribal governments, Federal agencies, and State and local governments.

Additional information on the TTP can be obtained from these websites:

<sup>1</sup> Wherever “**Tribe**” appears in this document, “**Consortium**” also applies. A Consortium is a group of Tribes who have formally agreed to pool their TTP funding and resources. FHWA will work with a Tribal Consortium the same as a Tribe.
