

# Dyea Flats & Slide Cemetery Roads

## CONSTRUCTION NEWSLETTER

November 10, 2016

### Day Work continues at Dyea Flats...

#### CONSTRUCTION ACTIVITIES

This week Contractor Hunz & Hunz continued with embankment material placement and shaping work along Dyea Flats road near the main Dyea State road intersection; and survey hubbing and gradework activities.

Next Week activities: Planned continued embankment material placement along Dyea Flats road sections, survey hubbing and gradework.

Road Conditions: All sections of the road have now been temporarily graded. Please be aware of posted 15 MPH speed limits and pedestrians, bicyclists, and others who share the roadway.

#### Veterans Holiday Weekend Work Schedule:

**Slide Cemetery and Lost Lake road will have construction work occurring Friday and Saturday Nov 11-12. Dyea Flats road will be open.**

 Haul Truck Advisory: Haul truck activity has increased from Skagway to Dyea Flats. Additional trucks have been added and will continue with transport of material on the Dyea Road from Skagway to the Dyea Flats project site; travelers please **proceed with caution**.

Working the Dyea Flats road
