Contract Information

Contract No.: DTFH70-13-C-00004
Awarded to: Ridge Contracting, Inc.
1208 Gamble Street
Anchorage, AK 99501
Award Date: February 26, 2013

Construction Activities (Week of September 2, 2013)

The crews worked on placing select barrow to build the roadway prism from station 135-148 as well as widening on the left and right hand shoulders. Continued, placing culverts and working on improving drainage at the previously mentioned stations.

Schedule – Upcoming Work

The work over the next couple weeks will consist of placing large amounts of select barrow in the road re-alignment at station 120-150.

Traffic Control

Ongoing construction activities are being conducted under single lane closures consisting of one work zone controlled by two flaggers. With the light traffic on this road this method is providing a safe work area and causing minimal delays.
