

AK DEN 2009 (8)  
Manokotak Heights Road Reconstruction  
Manokotak, Alaska – Dillingham Census Area  
<http://www.wfl.fhwa.dot.gov/projects/ak/manokotak/>

---

---

### **Contract Information**

---

---

Contract No.: DTFH70-13-C-00004  
Awarded to: Ridge Contracting, Inc.  
1208 Gamble Street  
Anchorage, AK 99501  
Award Date: February 26, 2013

---

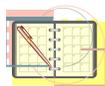

---

### **Construction Activities (Week of September 23, 2013)**

---

---

The crews worked on installing a access roadway around the new Beaver Creek Culvert excavation at the inlet and the outlet. The roadways will serve to move public traffic around the outlet side of the excavation and allow construction materials and equipment to move around the inlet side. The access road will also help to prevent the infiltration of water into the excavation.

---

---

### **Schedule – Upcoming Work**

---

---

After completion of the Beaver Creek culvert the two access roads around either end will be removed and the roadway prism built to sub grade using select barrow.

---

---

### **Traffic Control**

---

---

Ongoing construction activities are being conducted under single lane closures consisting of one work zone controlled by two flaggers. With the light traffic on this road this method is providing a safe work area and causing minimal delays.

---

---
