Project News

MAY 10, 2016

Rock drills have been on-site and drilling blast holes since Monday. Potential blasting to occur Wednesday, May 11th. Clearing and grubbing is still taking place toward the end of the project. The pilot car route will change as work progresses through the area.

Notes

- Public traffic will be allowed leave Naukati on the hour and traffic will be allowed to come to Naukati on the 30s. See attached traffic control plan for detailed pilot car and access information.
- Please use caution when driving through the project as the site will change day to day.
