WFLHD

Bill Welton
Project Engineer

Bill.Welton@dot.gov
(907) 629-4110

Sean Wheeler
Inspector

sean.wheeler@dot.gov

Project News

Southeast Roadbuilders will be working toward winter shutdown this week. The Naukati Road project wraps up for the season on November 18th and this will be the final newsletter of 2016!

Last week SRI worked to place geotextile and geogrid, then covered it with a 3 inch minus material to build the road.

Drilling and blasting has ceased for the season.

NOVEMBER 15, 2016

Above: Two excavators work to clear shot rock.

Left: The grader is working to place 3 inch minus material over the geotextile and geogrid.

Happy Holidays!
