Snug Harbor Road: Mile Post 0.0 to Mile Post 1.8

The tree clearing work will begin this next week. Work on Monday, April 4th is expected to be equipment mobilizing to the project and installation of temporary construction signs. Clearing work will fully begin on Tuesday, April 5th. Clearing is anticipated to take 8 shifts to complete.

During clearing work any wood suitable for firewood will be saved and will become the property of the adjacent land owner. Any wood harvested from the Kenia Peninsula Borough or Alaska Department of Natural Resources property will be available to the general public.

Expect to see construction traffic increasing and equipment mobilizing to the project next week. A mobile office trailer will be arriving on the project over this weekend. The contractor's working schedule is Monday through Friday from 7:00 a.m. to 7:00 p.m.

For questions regarding the Alaska Department of Transportation and Public Facilities' utility relocation project contact Marcus Forkner at 907-269-0450.

One of the unstable slopes along that gravel section of the project. These slopes will be laid back and treated with a rip rap blanket in order to address the slope instability and prevent additional erosion.

Traffic Control Information

Week of April 4, 2016

Single lane closures under flagger control are likely this week. Expect 5 to 10 minute delays.
