CONSTRUCTION NEWSLETTER

July 29, 2016

CURRENT AND UPCOMING WORK

The contractor is currently working 24 hours a day on embankment and excavation work throughout the project. Work on the Ice-Box Curve embankment is over 50% complete. At Thorn Creek, the contractor began working to prepare the foundation for embankment, which is scheduled to start next week. Once completed, the thorn creek embankment will be 75 feet high at its tallest point, and will constitute roughly half of the overall embankment work on the project. Culvert installation began this week, and will continue for the coming weeks.
