

WEEKLY NEWSLETTER – October 9, 2014

ID PFH CDP 67(3)

Grangemont Road

Construction Activities and Upcoming Work

The paving was completed this week and the pavement markings were also applied. The guardrail installation will begin Friday and should be complete early next week. Debco is working Monday through Friday.

Traffic Delays

Grangemont Road is open to traffic, but flagging operations will resume. Expect up to 45 minute delays. The project is scheduled to run through October.

Alternate Routes

Alternate Routes are available. The route chosen is dependent on trip origin and destination.
