

Weekly Newsletter

September 27, 2013 **Rockfall Mitigation & Reconstruction** ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the “**Narrows**”

On-site work will continue with drilling support anchors for the various rockfall mesh systems throughout the project. Production drilling and installation for both rock bolts and rock dowels is also underway.

Closures will begin on Monday, September 30, and will be in effect Monday through Friday, 10 a.m. to 12 p.m. and 1:30 p.m. to 3:30 p.m. Expect minor delays of up to 15 minutes at a time during the working day outside of the closure times. There will also be one lane traffic with signal lights controlling traffic during non-working hours.

Be advised - work will continue on Saturday, September 28th. Expect minor delays up to 15 minutes.

Drilling for rock bolts (left) and installing bolt systems (right)
