

Weekly Newsletter

October 10, 2013 **Rockfall Mitigation & Reconstruction** ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the “**Narrows**”

On-site work will continue with drilling support anchors for the various rockfall mesh systems throughout the project, as well as production drilling and installation for both rock bolts and rock dowels. Drilling and installation for the Pinned Mesh in Section 15 has also commenced with several test anchors.

Closures will continue Tuesday through Friday, 10 a.m. to 12 p.m. and 1:30 p.m. to 3:30 p.m. Expect minor delays of up to 15 minutes at a time during the working day outside of the closure times. There will also be one lane traffic with signal lights controlling traffic during non-working hours.

Be advised - the contractor is planning to work Saturday, October 19th. Expect minor delays up to 15 minutes.
