April 9, 2015      **Rockfall Mitigation & Reconstruction**      ID PFH 26-1(1)

## Highway 75 between mileposts 205.4 and 206.7 at the “Narrows”

The final season of construction work on the “Narrows” project is underway.

Excavation for another Mechanically Stabilized Earth (MSE) wall has begun and the surveying for other walls continue. MSE wall excavation will continue next week and installation of welded wire baskets is anticipated.

**Closures are in effect. Road closures will be conducted from 10:00 a.m. to Noon and 1:30 p.m. to 3:30 p.m. Monday through Friday. Closures will end May 15th.**

Outside of the closure times expect minor delays of up to 15 minutes throughout the day and night. The project is limited to one-lane of traffic with signal lights in the non working hours and over the weekends. Night shifts have begun and will run Monday night through Thursday night.

**There will be work on Saturdays from April 4th through May 9th. No closures will be in effect on Saturdays.**

Concrete barriers have been moved to form one single lane through the work zone. The excavation of MSE Wall 400 has begun.

## Road Closure Information

**Week of April 12, 2015**

**Two hour road closures this week.**

**Up to 15-minute delays this week.**
