**Rockfall Mitigation & Reconstruction**

ID PFH 26-1(1)

## Highway 75 between mileposts 205.4 and 206.7 at the “Narrows”

The final season of construction work on the “Narrows” project is underway.

Roadway subgrade is in the process of being graded and shaped. Sculpted and stained shotcrete will be placed on the face of all MSE walls. Night crews continue to install culverts and riprap rock fills.

Public traffic can expect minor delays up to 15 minutes throughout the day and night. The project is limited to one-lane of traffic with signal lights in the non-working hours and over the weekends. Night shifts are ongoing and run Monday night through Thursday night.

Knife River preparing road subgrade.

**There is no Saturday work scheduled for the summer.**

## Road Closure Information

**Week of May 31, 2015**

**Up to 15-minute delays this week.**
