Rockfall Mitigation & Reconstruction

ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the “**Narrows**”

The roadway is now paved. The rest of this week and next week includes: striping the asphalt pavement, staining the shotcrete MSE Walls, and staining rock scars produced by the slope scaling.

Public traffic can expect minor delays up to 15 minutes throughout the day. The project is open to two-lane traffic, over paved roads, during non-working hours and over the weekends. Please take caution driving through the project without permanent striping yet placed. The work shift is sunrise to sunset.

There is no Saturday work scheduled for the rest of the summer.

Knife River finding the edge. Paving was finished early this week.

Road Closure Information

Week of July 26, 2015

Up to 15-minute delays this week.

No closures this week.
