Reconstruction

ID PFH 26(3)

Highway 75 between mileposts 206.7 and 207.9 through **“Pebble Beach”**

On site work may start this week with the installation of the traffic control signing, drums, barricades, and message boards in areas around the project and the following locations: Lower Stanley, Sunbeam, Clayton, and Challis. There may be up to 15 minute delays while this work is being completed.

You may have been seeing some equipment showing up on the project these past few weeks. Construction is just around the corner!

Looking Southeast on Highway 75

Road Closure Information

Week of August 7, 2016
