

# Weekly Newsletter

August 12, 2016

**Reconstruction**

ID PFH 26(3)

Highway 75 between mileposts 206.7 and 207.9 through **“Pebble Beach”**

On site work is anticipated to start this week with the installation of the traffic control signing, drums, barricades, and message boards in the following areas around the project: Lower Stanley, Sunbeam, Clayton, and Challis. There may be up to 15 minute delays while this work is being completed.

On site you will see a bustle of workers prepping for on-road construction.

Equipment and supplies will continue to show up on site this week. We are eager as construction is just around the corner!

Concrete barriers lined up after inspection on the job site

## Road Closure Information

**Week of August 14, 2016**

**Minor delays up to 15 mins. possible**

**No closures this week**
