Reconstruction

ID PFH 26(3)

Highway 75 between mileposts 206.7 and 207.9 through “Pebble Beach”

The excavation of the Pebble Beach Cut started this past week with dozers and excavators starting to pioneer access up to the top of the cut area.

Work in the staging areas will continue with the stockpiling of excavated cut material.

Work may also begin in the Holman Creek Waste Area (MP 214.5) in preparation of the excess excavated material being hauled there.

The project is limited to one-lane of traffic at all times of the day. **Expect minor delays of up to 15- minutes Monday through Friday while work is being completed during the day time and traffic is being controlled by flaggers.** Delays will be limited to no more than **5-minutes during none working hours at night and on weekends** with signals controlling traffic.

Please be very cautious when traveling through the work zone as it is very narrow and please reduce your speed through the work zone. Thank You

Excavation on West End of Pebble Beach Cut

Road Closure Information

Week of September 11, 2016

Expect delays of up to 15 minutes

No closures this week
