Reconstruction

ID PFH 26(3)

Highway 75 between mileposts 206.7 and 207.9 through “**Pebble Beach**”

The excavation of the Pebble Beach Cut will continue this week with dozers, excavators and off-road trucks hauling into the staging areas.

Work in the staging areas will continue with the stockpiling of excavated cut material.

The truck haul will continue to Holman Creek Waste Area (MP 214.5) Monday through Thursday, 8:00 am—8:00 pm.

The project is limited to one-lane of traffic at all times of the day. **The two-hour road closures have begun. The closure schedule is 10:00 am — 12:00 pm and 1:30 pm — 3:30 pm, Monday through Friday. The contractor will not be using the Friday 1:30 to 3:30 closure [this week](#).**

Expect minor delays of up to 15-minutes at all other times of the day Monday through Friday while work is being completed during the day time and traffic is being controlled by **flaggers**. Delays will be limited to no more than 5-minutes during none working hours at night and on weekends with signals controlling traffic.

Please be very cautious and reduce your speed when traveling through the work zone as it is very narrow. Thank You

Excavation on West End of Pebble Beach Cut
