The Western Federal Lands Highway Division (WFLHD) in cooperation with Idaho County and the U.S. Forest Service are identifying alternatives to improve and/or replace the Manning Crevice Bridge.

Please take a few minutes to share your thoughts about topics discussed at tonight's meeting. Please complete the comment sheet and return it tonight to a member of the project team or mail it to the Manning Crevice Bridge project team at the address provided below.

1. Which of the following issues are you concerned with regarding the Manning Crevice project? (Please check all that apply)

- | | | |
|---|---|--|
| <input type="checkbox"/> Community Impacts | <input type="checkbox"/> Economic Impacts | <input type="checkbox"/> Construction/Traffic Delays |
| <input type="checkbox"/> Safety | <input type="checkbox"/> Aesthetics | <input type="checkbox"/> Environmental Concerns |
| <input type="checkbox"/> Other: (Please specify): _____ | | |

Please provide additional comments regarding the concerns identified above (if any):

Comment Sheet

2. What comments do you have regarding the alternatives for the Manning Crevice Bridge Replacement Project? (Which do you like best and why?)

3. Are there ideal times and/or seasons where construction closures or delays would have less of an impact to your business or commute? If so, please identify.

4. Do you have any other comments, questions, or concerns?
