

# COW CREEK PHASE 1 NEWSLETTER

Paul Akehurst – Project Engineer

## WESTERN FEDERAL LANDS HIGHWAY DIVISION FEDERAL HIGHWAY ADMINISTRATION

### UPCOMING WORK

June 13<sup>th</sup> through June 16<sup>th</sup>, 2016

Work next week continues and the contractor anticipates the following activities to be performed:

- Continuing with clearing and grubbing followed by roadway excavation at the Roadway Realignment Area – Installing erosion control measures as needed with temporary traffic control, flaggers at this location.
- Rock scaling
- Continuing with culvert cleaning.
- Continuing with reconditioning drainage structures
- Survey activities throughout the project.

Removing scaled rock debris from behind concrete barriers

Completed section of scaled slope

Please use caution in the construction zones. Temporary traffic control, flaggers will guide the travelling public through the work zones. Short traffic delays should be expected. Crews will be working on the project this upcoming week Monday through Thursday from 7:00 a.m. to 5:00 p.m.
