Construction Activities

This week Tidewater excavated the foundation for the stone masonry curb at Rim Village. Guinett, masonry subcontractor to Tidewater, was not able to start placing curb due to bad weather conditions. It started snowing Wednesday and the weather has not changed yet.

Next week Tidewater and Guinett will be working at Rim Village on the stone masonry curb and valley gutter. Tidewater will also be working on installing a culvert on East Rim Drive behind the locked gate.

Traffic Information:

- ⇒
- ⇒ Expect delays at Rim Village
- ⇒ At Rim Village a portion of the parking lot will be closed.

SAFETY IS OUR #1 PRIORITY!

We apologize for any delays due to construction.
