

GRANITE HILL HIGHWAY RECONSTRUCTION

WEEKLY NEWSLETTER

May 20, 2016

Construction Activities and Upcoming Work:

The Subgrade repair work will continue into next week.

Reinforced Shoulder Stabilization 1

Reinforced Shoulder Stabilization 2

Traffic Guidance:

The Contractor's normal work schedule is Monday thru Friday, but he plans to work this Saturday. No work is planned on Memorial Day weekend.

Various lane closures occur to accommodate the construction activities.

Please use caution in the construction zones. Expect minor traffic delays.
