

GRANITE HILL HIGHWAY RECONSTRUCTION

WEEKLY NEWSLETTER

June 09, 2016

Construction Activities and Upcoming Work:

The last Subgrade repair work was completed this week for the Project. The lower section was milled and prepared for the final surface.

Next week, the Asphalt Concrete Pavement is scheduled to begin on project limits nearest to Sumpter.

Aggregate Surface Reconditioning

Subgrade Reinforcement

Traffic Guidance:

The Contractor's normal work schedule is Monday thru Friday.
Various lane closures occur to accommodate the construction activities.
Please use caution in the construction zones. Expect minor traffic delays.
