

GRANITE HILL HIGHWAY RECONSTRUCTION

WEEKLY NEWSLETTER

July 14, 2016

Construction Activities and Upcoming Work:

All the shoulder work was completed this week. The roadway stripping started today and should be complete Friday.

Only minor items of work and some clean-up are scheduled for next week.

Shoulder work on the upper section

Striping

Traffic Guidance:

The Contractor's normal work schedule is Monday thru Friday.
Various lane closures occur to accommodate the construction activities.
Please use caution in the construction zones. Expect minor traffic delays.
