

PALMER JUNCTION  
WEEKLY NEWSLETTER

JULY 21, 2016

Construction Activities and Upcoming Work:

With the detour in place, work on the Gordon Creek structure began this week and will continue through next week. The contractor plans to begin work on the structure at the South Fork of Cabin Creek next.

Gordon Creek

Gordon Creek

Traffic Guidance:

The Contractor's normal work schedule is Monday thru Friday. Various lane closures occur to accommodate the construction activities at locations outside the detour. Please use caution in the construction zones. Expect minor traffic delays.
