

PALMER JUNCTION
WEEKLY NEWSLETTER
AUGUST 12, 2016

Construction Activities and Upcoming Work:

Excavation for the footings at Gordon Creek began this week and will continue into next week. The existing structures at South Fork Cabin Creek were removed and earthwork for the next phase was underway. Additional work at South Fork Cabin Creek is planned for later next week. Work began on the 30" culvert replacement at Station 415+60. That work is planned to be complete next week. Replacement for the Partridge Creek culvert is scheduled for next week.

Gordon Creek

30" Culvert

Traffic Guidance:

The Contractor's normal work schedule is Monday thru Friday. Various lane closures occur daily to accommodate the construction activities at locations outside the detour. Overnight at South Fork Cabin Creek a single lane with Yield to Oncoming Traffic layout is in place. Please use caution in the construction zones. Expect minor traffic delays.
