

PALMER JUNCTION
WEEKLY NEWSLETTER
OCTOBER 27, 2016

Construction Activities and Upcoming Work:

Work at all culverts was completed and all gravel surfaces on the project were paved.
Next Monday, the contractor plans to remove the detour and open the roadway across Gordon Creek.
Winter Shutdown begins November 1.
Work is scheduled to resume May 1, 2017.

Paving operations at pavement repairs

Concrete headwalls at SF Cabin Creek

Traffic Guidance:

Tomorrow at South Fork Cabin Creek a lane closure will take place to complete the paving. Please use caution in the construction zones. Expect minor traffic delays.
