

QUARTZ CREEK CULVERT REPLACEMENT PROJECT NEWSLETTER

Paul Akehurst – Project Engineer
Western Federal Lands Highway Division
Federal Highway Administration

JRT Construction, LLC

For the week of October 03 to 07, 2016

Completed Work:

The contractor completed the placing of the aggregates on all three locations this week. They also completed the asphalt paving on the main Quartz Creek Road.

Upcoming Work:

The contractor anticipates being gone from the project for the next two weeks and will return to complete the erosion control measures after Oct 15th as per the contract.
