

QUARTZ CREEK CULVERT REPLACEMENT PROJECT NEWSLETTER

Paul Akehurst – Project Engineer
Western Federal Lands Highway Division
Federal Highway Administration

JRT Construction, LLC

Upcoming Work:

The contractor anticipates completing the project between December 6th and December 9th, 2016. The work will consist of placing turf establishment, rolled erosion control product and sediment logs. In addition, some minor pavement repair has been added to the contract. These work activities are weather dependent and are anticipated to be completed prior to December 9th, 2016.
