

# Cattle Point Road Relocation

## CONSTRUCTION NEWSLETTER

### Rocking and Rolling

August 14, 2015

#### CONSTRUCTION ACTIVITIES

This week Strider installed utility vaults and completed most of the conduit lines connecting those vaults. A major milestone was reached as the contractor began placing the crushed rock which will cover and protect the subgrade.

Next week, they will continue to prepare the subgrade for and place the crushed rock. Please see the map below which indicates the truck route.

Construction Zone speed limit is 20 mph. Please drive carefully.

The water truck will be working this weekend - Please drive carefully.

#### Project Information
