The Ribbon Has Been Cut!

October 15, 2015

CONSTRUCTION ACTIVITIES

A wonderful ribbon cutting ceremony officially opening the Cattle Point Road was held Thursday with representatives for Patty Murry, CRAB-FLAP, NPS, WFLHD, SJ County, and the homeowners associations. The ceremony was followed by cake and coffee at the visitor's center.

Some additional work continues with the revegetation crew placing the erosion control blanket along the new road to protect the seeding and the deactivation of the old alignment.
