# NISQUALLY TO PARADISE ROAD NEWSLETTER

May 25, 2016

## Project Description

The Nisqually to Paradise Road project spans 13 miles from Longmire Museum to the Paradise Inn Parking lot and Jackson Memorial Visitor center. Project improvements include cleaning and replacing drainage culverts, pavement subgrade, parking areas, and patching . National Park service will assume maintenance duties upon completion of the project.

### Road Surface conditions

The current road surface is existing asphalt surface, in good condition, throughout the project.

### Current and Upcoming Work

The contractor, Tucci and Sons, is currently performing construction preparations. Construction is scheduled to start Tuesday May 31<sup>st</sup> After Memorial day weekend.

### Traffic Delays

There are no traffic Delays at this time.
