

Western Federal Lands Highway Division NISQUALLY TO PARADISE ROAD NEWSLETTER

June 30, 2016

Project Description

The Nisqually to Paradise Road project spans 11 miles from Longmire to the Paradise Inn Parking lot and Jackson Memorial Visitor center. Project improvements include cleaning and replacing drainage culverts, pavement subgrade, parking areas, asphalt overlay and stone masonry wall repair.

Road Surface conditions

Current road condition is existing asphalt roadway with ground up asphalt surface on areas that have been milled. Motorcycles should use Extreme caution.

Current and Upcoming Work

The contractor, Tucci and Sons, is currently performing subexcavation, base reinforcement, culvert installations, masonry wall repair and asphalt patching. This work is expected to continue through July. There will be no work on Monday July, 4th.

Traffic Delays

Expect a 30 minute traffic delay Monday – Friday 7:00am to 5:30pm. Drive slow around blind corners and be cautious of workers on the roadway. Ricksecker Loop Road is closed for the entire season.
