

# Western Federal Lands Highway Division NISQUALLY TO PARADISE ROAD NEWSLETTER

July 15, 2016

## Project Description

The Nisqually to Paradise Road project spans 11 miles from Longmire to the Paradise Inn Parking lot and Jackson Memorial Visitor center. Project improvements include cleaning and replacing drainage culverts, pavement subgrade, parking areas, asphalt overlay and stone masonry wall repair.

### Road Surface conditions

Current road condition is existing asphalt roadway with patches and ground up asphalt surface on areas that have been milled. Motorcycles should use Extreme caution.

### Current and Upcoming Work

The contractor, Tucci and Sons, has completed ditch reconditioning, culvert installation, spillway protection and stone Masonry repairs on headwalls and guard walls. Ongoing work includes the final patching of subexcavation and culvert areas along with preparatory work to pulverize and repave the Parking areas at Paradise.

### Traffic Delays

Expect a 30 minute traffic delay Monday – Friday 7:00am to 5:30pm. Drive slow around blind corners and be cautious of workers on the roadway. Ricksecker Loop Road is closed for the entire season.
