

Weekly Construction Update – March 6, 2014

Nisqually to Paradise Road, Phase I in Mount Rainier National Park

Work Status:

The Notice to Proceed for the Nisqually to Paradise Road, Phase I project has been issued for March 3rd, 2014.

Major on-site work will commence Monday, March 10th, 2014. Work will include additional installation of sediment control devices, pavement milling, and utility trench excavation between the Nisqually entrance and Longmire. Excavation work is scheduled to start near Sunshine Point and proceed toward Kautz Creek.

Expect minor delays of up to 20 minutes at a time, with a maximum 30 minute delay throughout the project during the working day.
