## Pavement Repairs on Sol Duc Road

### CONSTRUCTION ACTIVITIES

Lakeside Industries began patching Sol Duc Road this week. After a slow start due to the closure of the road around Lake Crescent, the rest of the week saw good production. Work in the southbound lane started at MP 0.00 and ended the week at about MP 9.00.

Next week, the patching will continue. In addition to the Sol Duc Road, patching will take place in the Sol Duc Parking Lot as well as Campground Loops A and B.

Grinding away the failing pavement

Placing aggregate in deep patches

Placing the new asphalt pavement

Compacting the finished patch
