

MIDDLE FORK SNOQUALMIE RIVER ROAD

CONSTRUCTION NEWSLETTER

May 30, 2014

CONSTRUCTION ACTIVITIES

The Middle Fork Snoqualmie River Road will be closed Mondays at noon through Fridays at noon through Friday October 31, 2014 at Valley Camp. Dorothy Lake Road (Upper Couplet) is closed to public traffic. Expect delays of up to 60 minutes Monday morning and Friday from noon to 4:00 PM.

This week, the temporary steel bridge was relocated and a temporary detour opened at the timber bridge site to make room for the construction of a replacement bridge.

Next week, the Contractor will be installing erosion control devices and roadway fill construction will continue on the upper part of the project near Middle Fork Campground.

No delays are planned for this weekend.

Above: It only took 35 minutes for the contractor to relocate the temporary steel bridge at Big Blowout Creek 30 feet upstream, where it will act as a temporary detour.
