FULL ROAD CLOSURE IN EFFECT, INCLUDING WEEKENDS

Middle Fork Road is closed between the CCC trailhead and Taylor River Bridge through September 26. Visitors who wish to travel beyond the road closure may do so via the CCC Trail. However, please note that there is no motorized access beyond the CCC Trailhead. Limited parking is available at the road closure point. When parking please do not block access to the closed area for Contractor or emergency vehicles. Any vehicles parking at the closure on the weekend must leave the project area by noon on Monday.

Planned project work this week includes placing roadway fill, installing culvert pipes, placing roadway surfacing rock, reconstructing the Middle Fork Trailhead parking area, working on the two new bridges, and rock blasting.

The lower section of the Middle Fork Snoqualmie River Road will open up to the CCC Trailhead closure at 6:00 PM Thursday August 27th and close at 6:00 AM Tuesday September 2nd for the Labor Day weekend.

Above: Placing rip rap so the roadway can be widened over soft soils.
