

# MIDDLE FORK SNOQUALMIE RIVER ROAD

## CONSTRUCTION NEWSLETTER

October 31, 2014

### MIDDLE FORK ROAD WILL BE OPEN 7 DAYS A WEEK

The weekday closures on the Middle Fork Snoqualmie River Road will end at noon Friday October 31. The contractor will be working Mondays through Fridays for another 1-3 weeks. During these times traffic will be controlled by flaggers and pilot cars. Expect up to 60 minute delays. There will be no delays prior to the Mailbox Peak trailhead parking area.

Next week the contractor will continue preparing the project for the winter shutdown including finishing sections of the roadway fill, placing rock surfacing, and installing erosion control measures.

Above: Installing low water crossing planks. These armor the roadway so it will not wash out in extreme flood events.

### ROAD CLOSURES & DELAYS

Monday November 3 through Friday November 7, 2014 - Expect delays of up to 60 minutes beyond the Mailbox Peak trailhead parking area.

Weekday road closures will resume on Monday May 6, 2015.
