MIDDLE FORK ROAD CLOSED AT MAILBOX PEAK TRAIL

The Middle Fork Snoqualmie River Road closure has been moved to just beyond the Mailbox Peak trailhead.

The roadway closure is due to damage caused by flooding from heavy rains and snow melt the first week of January. The road is currently closed to vehicle traffic at the Mailbox Peak Trailhead. The road beyond that point is accessible on foot or by bicycle.

Updates with estimated duration of the closure will be provided when available.
