

# MIDDLE FORK SNOQUALMIE RIVER ROAD

## CONSTRUCTION NEWSLETTER

August 6, 2015

### CONSTRUCTION ACTIVITIES

This week the contractor completed paving between the two new bridges. The area that was not paved will be covered with a chip seal (oil and rock surface) later in the project.

Much of the roadway is rock or dirt surfaced and may be rough in places.

Next week the contractor will continue constructing roadway fills, excavating for the widened roadway, repairing damaged roadway areas, and installing drainage pipes.

Above: Paving was completed this week between the two new bridges.
