

MIDDLE FORK SNOQUALMIE RIVER ROAD

CONSTRUCTION NEWSLETTER

August 21, 2015

CONSTRUCTION ACTIVITIES

This week the contractor constructed reinforced roadway embankment and drainage pipes in the upper portion of the project and roadway fills down to the Mailbox Peak trailhead.

Much of the roadway is rock or dirt surfaced and may be rough in places.

Next week the contractor will continue constructing roadway fills, excavating for the widened roadway, installing drainage pipes, and placing stone facing on the monument sign bases.

Above: Excavating for a culvert pipe near Bessemer Road.
