

MIDDLE FORK SNOQUALMIE RIVER ROAD

CONSTRUCTION NEWSLETTER

November 13, 2015

CONSTRUCTION ACTIVITIES

The noon Monday to noon Friday road closures will extend to November 20, 2015.

Much of the roadway is rock surfaced and may be rough in places. With the recent heavy rains some sections may not be suitable for low clearance, two wheel drive vehicles. A portion of the road is washed out beyond the project limits on the other side of the Taylor River bridge just past Dingford Creek Road.

Next week the contractor will be working on finishing the project for the season.

Above: Rock excavation.
