CONSTRUCTION ACTIVITIES

This week the contractor started on the Lake Dorothy bridge deck overlay, installed permanent signs, and graded the gravel roadway section near the CCC trail in preparation for placing an asphalt surface treatment. Next week work will continue on these items.

The Middle Fork Snoqualmie River Road is open to public traffic every day with flaggers and/or a pilot car when the contractor is working. Expect up to 60 minute delays.

Two sections of the roadway, near Champion Beach and the CCC trail, are rock surfaced and may be rough in places.
